

TWO WEEKS TO GO!

If you have an idea for a project to improve your local community, then we can help you make it happen! The fully funded course with a £4000 grant is now available in the

WEST MIDLANDS.

Applications before 2nd April!

To help potential candidates understand our programme we are having three "taster sessions" for you to come along and meet the team, hear about the course, and ask any questions you might have.
